#### HORSES FROM FAR WEST WIN

CU BON AND JOE KNIGHT TAKE PURSES AT HAVRE DE GRACE TRACK.

Horses of Ordinary Calibre Provide Formful Racing-Chryseis Loses Purse Through Carelessness of Jockey Schuttinger.

Havre de Grace, Md., September 3.—Today's card was one of the mediocre variety, lacking anythiag that approached a feature, with an ordinary lot of horses contesting for all the purses. The racing however, was spirited and in most instances formful, two favorites and three second choices finishing lirst during the afternoon. In the fifth race, the F. R. Hitchocek stable uncovered a good maiden when Obsession, with Shilling up, won in a canter. This winner was confidently backed. Ambrose, which ruled second choice, became involved in a jam shortly after the start and failed to be a sharp contender. The running of the fourth race, for which Chryseis ruled an odds-on choice, brought about her defeat by Gates. Schuttinger was chiefly responsible for the defeat of Chryseis through carelessness right at the defeat of Chryseis through carelessness right at the dinish. Chryseis was in front all the way and turned for home with a margin of one length. Then Gates, which had been running forwardly all the way, moved up fast along the rail. Schuttinger, evidently thinking the race over, failed to see Gates on the rail and the latter got up under a rousing finish to win by a nose.

In the first race, Ringling, which had ruled favorite in several previous starts, finally made good by scoring over the favorite, Continental, and Litterflugh. Tea Rose had the misfortune to be badly cut down in this race, when she was running in a contending position on the far turn. Shilling immediately dismounted from the Hallenbeck filly. After an examination had been made of her injury, it was reported that she will be able to race again in the future.

ately dismounted from the Hallenbeck filly. After an examination had been made of her injury, it was reported that she will be able to race again in the future.

Cu Bon, in the second, and Joe Knight, in the third, were winners that recently arrived here from the far west. Cu Bon was easily best and led all the way. Joe Knight showed a good performance when, after leading to the stretch turn, he went extremely wide and lost the lead, but coming again and finishing in the middle of the track, he got up to win by a length over Sir Denrah, which howed decided improvement over his previous perpendicular of the running. Chapultepec, which was intalled to be a contender at any earl of the running. Chapultepec, which was intalled favorite in this race, was slow to get into a stride and lost some ground on the turns, but falled to show his usual burst of speed at any time. The final race of the day was reduced to three starters through scratches. Yellow Eyes ruled favorite at prohibitive odds. The Wilson gelding was easily best and, after leading all the way, won over Patrick S. by a length and a half.

When jockey J. McIntyre rode Joe Knight to victory it marked the first win for the John O. Talbott stable at this meeting. Mr. Talbott is a well-known Denver business man.

Big Dipper, which A. Simons purchased yesterday from David Gideon, was re-sofd today, his latest owner being the Quincy Stable. This is the third two-year-old purchased by the Quincy Stable since the opening of the meeting, the others being Jonquil and Striker.

The heavy rains that followed the running of the last race yesterday had but little effect on the track, and some good work was recorded over the course this morning. The following were among the best: Accord—Five-eighths in 1:02%.

Ethelburg H.—Five-eighths in 1:02%.

 Hagan and Heatherington each had two mounts and failed to place. The record of the successful trainers follows:

M. R. Harned, part owner with C. F. Buschemeyer in the sensational two-year-old Hawthorn, while not widely known in turf circles, has been identified with the sport for twenty years. The first horse raced by him was the mare Bona Vera, by imported Prince Charlie, which he purchased upon the recommendation of Capt, J. T. Williams. Mr. Harned ran Bona Vera with decided success on the St. Louis tracks, she having defeated sucen noted racers as Yemen and Magnet. He is enthuslastic over the future of racing as conducted in Kentucky, and is a firm believer in the pari-mutuel system of wagering. Mr. Buschemeyer entertains similar views. Next season this firm will race a much stronger stable than it now possesses.

The sprinting races this fall at Churchill Downs and Douglas Park bid fair to be hotly contested. W. W. Darden is coming with Little Father. R. F. Carman's Cohort was never better and is training soundly. Casey Jones and Grover Hughes are racing to their best form at Lexington. Others that these speedy horses will have to reckon with include Ethel D., Helen Barbee, Follie Levy and Trance. The last named is going along better every day and Follie Levy is rounding rapidly into racing condition.

#### AMERICANS MAKE GOOD SHOWING.

Paris, France, September 3.—Since the opening of the French flat racing season, on March 15, Baron Gourgaud's horses have won \$95,463, and is at the head of the list of money-winning owners. Sev-eral American owners are well up in the list. W. K. Vanderbilt is fourth, with winnings of \$65,988. Au-gust Belmont is sixth, with \$56,863. Herman Dur-yea is ninth, his horses having won \$45,464. Of the other Americans who ran horses Frank Jay Gould won \$12,836; Eugene Fishof, \$4,983; Harry La Mon-tagne, \$4,358, and J. E. Widener, \$4,128.

Jockeys Taplin and Gross are now fied for the American saddle honors of 1912, each having piloted 108 winners. Turner remains a close third, with 104 winners to his credit. The record of the thirty leaders from January 1 to and including the racing of Saturday last, follows:

#### RAIN FALLS AT LEXINGTON

SUDDEN DOWNPOUR AFFECTS ATTENDANCE AND LEAVES THE TRACK MUDDY.

Handicap Field Reduced to Three and Countless Is Returned an Easy Winner-Solar Star the Only Other Winning Favorite.

Lexington, Ky., September 3.—There was very liftle sport to be had out of the racing at the Kentucky Association course this afternoon. To begin with, the card was a poor one. Then came a sudden and heavy rain, cutting down the attendance and leaving the track muddy to the extent that previous calculations as to form were upset. The handicap, which came fourth on the card, and which was intended to be the day's feature, was riddled when the judges excused King Olympian, Mary Davis, Milton B. and T. M. Green, leaving only Countless, Grover Hughes and Donau to contest. At that, it was the best betting race of the day. Countless ran as if he outclassed the others, and won as his rider plensed, after leading nearly all the way. The only other winning favorite was Solar Star. This good colt of Weber & Ward wore down La Mode and beat her a length in a hard drive.

The biggest surprise of the day was C. W. Riedinger's Oreen, which got up just in time to take the measure of the favorite of the second race, Sun Queen, by a neck. In the opening race S. C. Lyne's Skeets led all the way and won in a drive with World's Wonder. The victory of Letourno in the last race was pretty much of the same order, though more easily achieved. The victory of Transport was a pleasant surprise to his\_owners, Arvil Baker and S. K. Hughes. They both had the opinion that he could not run well in the mud and the latter was sostrongly of that notion that he kept a small commission that one of the stable boys had insisted on betting.

could not run well in the mud and the latter was so strongly of that notion that he kept a small commission that one of the stable boys: had insisted on betting.

There was a drop of about \$10,000 in the volume of the betting today as compared with yesterday.

A big circus showed here this afternoon and that drew nearly as many persons from the racing as the rain kept away.

Colonel R. T. Holloway, who has been in Canada all summer, was at the track this afternoon. E. C. Cowdin, of Mt. Kisko, N. Y., owner of the Kentucky Endurance Stakes candidate, Swannanoa, was also among the visitors.

William M. Wallace, who has been racing in Canada, was at the track. His seven horses went to Louisville.

James MacManus, who owns the big string that O. A. Bianchi is training, was another arrival and G. W. J. Bissell of Pittsburg, also put in an appearance for the first time today.

George Ham, acting for himself and William Gerst, the Nashville brewer, for whom he trains, today purchased from Walter Payne four good-looking yearlings. They are: Chestnut colt by Marta Santa—Anda Dunn, brown filly by Marta Santa—Anda Dunn, brown filly by Marta Santa—Ann Conyers; bay gelding by Marta Santa—Roberta Lee, and bay gelding by Fountainblue—Miss Present. The first-named two are the property of Mr. Gerst and the others Hum bought for himself. The annual sale of thoroughbred yearlings under the anspices of the Kentucky Sale Company will be held Wednesday and Thursday evenings by electric light at Tattersall's.

Jockey W. Andress was blipded by the flying mud in the second race and after dismounting from Oreen had to have the services of a doctor. He cancelled his remaining engagements for the afternoon, Jockey J. Henry, who was substituted for Andress on Lord Marshall in the third race, was unscated while on the way to the post, but escaped injury.

Starter Cassidy dispatched the field in the closing race without the aid of the barrier supports out of commission when he went through the webbing.

Howard dots telegraphed today from Windsor for stable room for the horses he intends to ship here tomorrow.

R. J. Mackenzie's eight horses, W. G. Yanke with six and F. D. Weir's lot of eight horses, are due to arrive from Windsor tomorrow.

E. R. Bradley's consignment of thirteen racers came in tonight. Mr. Bradley has practically closed with A. D. Steele for the contract on jockey B. Steele and that lightweight wil do most of the riding for the Bradley stable on the Kentucky tracks this fall.

Jockey Borel arrived today from Windsor and will accept mounts. Jockey Obert was another arrival. He came from Havre de Grace and has contracted with W. J. Speirs to ride the horses owned by H. Benzinger.

E. R. Bradley's yearlings have been broken by Charles Dodson and will be raced in Mr. Bradley's colors next season. The lot includes the first Kentucky crop of Cunard, a sire that got soveral good racers in Californía.

#### STALLS READY AT MINERAL SPRINGS.

Gary, Ind., September 3.—Work on the track and buildings of the Mineral Springs Jockey Club, at Mineral Springs, near Porter, is proceeding satisfactorily. Stalls for the accommodation of 150 horses have been completed and by the end of next week stabling accommodations will be ready for 500 horses.

korses have been completed and by the end of next week stabling accommodations will be ready for 500 horses.

W. The management is satisfied that the new track will be one of the safest and fastest in the country. A tiling system is being installed which is expected to insure perfect drainage in wet weather. It is the intention of the promoters to construct a road through the racing enclosure to the lake front. At the point selected the water for some distance into the lake is shallow and the beach itself is of surpassing fineness.

W. H. Fizer has wired the management of the new track that he intends shipping his string of horses here from Vancouver, B. C., where he has been racing since the Coeur d'Alene meeting ended. H. W. Hoag will head a delegation of horsemen who will ship here from Butte.

Owners who have been racing in Canada that have promised to help along the new venture by the shipment of good horses to participate in the racing include J. W. Schorr, J. W. Fuller, J. W. Burttschell, T. W. O'Brien, F. J. Pous, James Arthur, E. R. Bradley, J. B. Respess, M. Foley, R. E. Watkins, John Powers, Adair & Baker, J. Sturgiss, J. E. Keith, P. M. Civill, E. W. Moore, and S. H. Kunz.

T. H., Ryan, of Wilmington, Ill., a well-known horseman, was a visitor at the new course this morning and expressed himself as delighted with its location and advantages. He pronounced the soil and other horses in Canada, made a trip of investigation to the course yesterday and returned to Toronto, where his horses are quartered, with the avoid of the course yesterday and returned to a weeking next month.

#### AT WORK ON NEW TRACK.

# Montreal, Que., September 3.—The engineers struck their level yesterday for the grading on the new racetrack to be constructed this fall at St. Michael, about thirty minutes' ride from the center of the city and a mile north of Delorimier Park. The new plant will be built in an up-to-date manuard the course will be six furlongs, with chutes for races at one mile and seven furlongs. Three hundred and fifty stalls will be erected and the grandstand will seat five thousand persons. A syndicate headed by Victor Lemay, who was responsible for the building of Delorimier Park, is financing the venture. Trotting as well as running races will be conducted at the new track next season. The grading will be done this fall so that the track will have a chance to settle and be fit to race over in the spring of the year. This is thought advisable because of the heavy frost here early in the spring.

Winner—Ch. g., by Planudes—Love Note (trained by H. Rites).

Went to post at 4:00. At post 1 minute. Start good and slow. Won driving; second and third the same, GATES, suddenly improved, ran in close pursuit of the leaders from the start and, having slipped through next to the rail in the last sixteenth, got up to win in the final stride. CHEYSEIS was under restraint in the early running, but her rider grew careless in the homestretch in allowing the winner to get through, which cost her the race. ELWAH showed speed, but tired in the final furlong. PARDNER ran fairly well.
